Mr. Bill Edmundson

children, the oldest of whom, Debra, 14, is in the seventh grade.

Here are some of the reasons why the 1980-81 *Wildcat* staff finds Mr. Edmundson to be a rather special person:

"He is capable of making intelligent decisions."

"He seems concerned about everyone, and tries to cooperate with everyone."

"He blends scholastic work with extra-curricular activities to make attendance here fun and enjoyable."

"Everybody respects him."

"His stern ways have opened new doors to the future for many of Waskom's students."

"You get a fair deal."

"He is easy to talk to and very understanding."

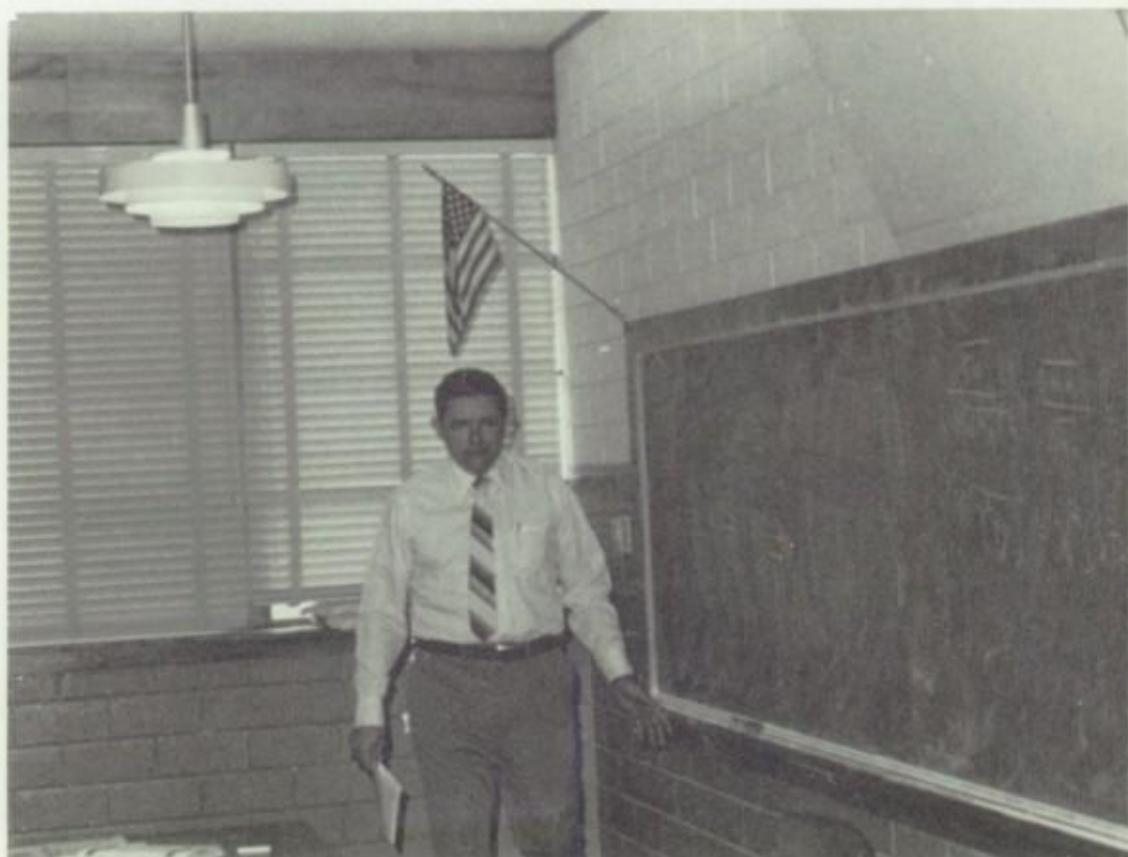

I don't have much to add to what my yearbook staff has had to say. Mr. Edmundson is a man of incredible balance and dedication. He gives students a reason for coming to school, and he gives teachers a reason for coming to work. We can't expect much more than that.

Richard E. Semlear
Wildcat Faculty Adviser

THE 1981 WILDCAT IS DEDICATED TO . . .

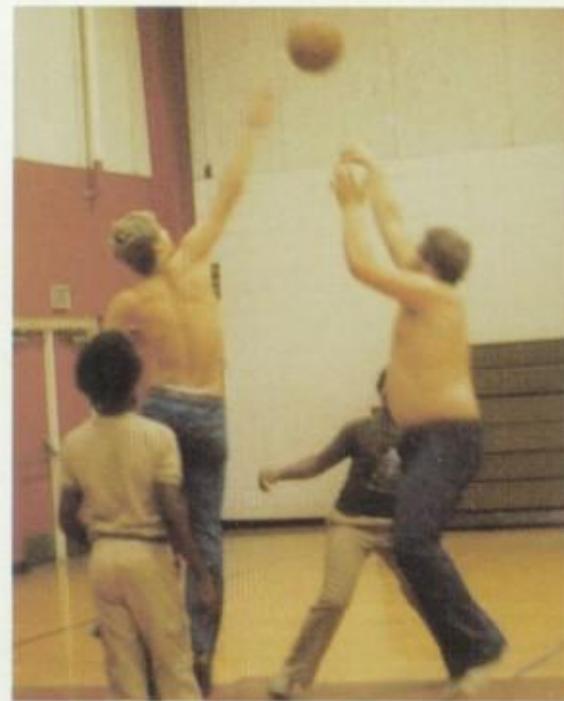

"He tries to prepare each of us in some way for the future that lies ahead of us."

He had previously taught in the Brownsville public schools for two years. He earned his masters degree in education from Stephen F. Austin State University, where he also earned his administrative certificate. He had previously earned a bachelors degree from San Marcos State University. Prior to becoming a professional educator in 1967, he served in the United States Army. Married to Mrs. Patricia Edmundson, Mr. Edmundson has four children,

NATIONAL HONOR SOCIETY

The National Honor Society is an honorary organization that inducts new members twice a year. To be a member of this organization, a student must excel in scholarship, leadership, character, and service.

The Waskom Chapter of the National Society was established in 1962. Since its organization, membership in this society has since become one of the most coveted honors in our school.

In the opinion of their teachers, the members of this society have built, and will continue to build a foundation for future worthy citizenship. These members are first row L to R: Sharyl Stahl, Robin Rudd, Tina Brashear, Angela Moore, Lisa Wooten, Kathy Kelley, Connie Moody. Second Row: Sponsor—Mrs. Pat Johnson, Larry Garrison, Dee Ponder, Jack McDaniel, Michael Johnson, Lynn Moody, John McGinn. Shown Below are Tammy Wolf and Jill McDaniel. Not Pictured; Pam Bass

Will They really have a CAREER???????????

THE WASKOM FFA

During the past year the Waskom FFA has participated in every event this organization has to offer. In the first week of school they started practicing for the District Leadership Contests held in Kilgore, Texas. At this contest they carried six teams of which we had three firsts, one third place team, one second place team, and one eighth place team, and they also won the sweepstakes at this contest.

In September the livestock show season was started off by the Central East Fair held in Marshall, Texas. During the next few months they attended nearly every show in the East Texas area. At the same time they had several judging teams which judged all classes of livestock at these shows. The poultry judging team did extremely well. At the area contest they were third out of forty-four teams. By winning this place they advanced to the state level where they were thirty-six out of the state of Texas.

In May the FFA held the ninth annual FFA Banquet at the Waskom Sub-Court house. During the banquet Lee McFarland the FabSteel corporation and Mr. and Mrs. Junior Johnson and Norris Johnson were awarded the Honorary Chapter Farmer degree. Stan Boyd was awarded the Star Green Hand award, and James G. Williams was awarded the Star Chapter Farmer Award.

FUTURE HOMEMAKERS OF AMERICA

..... Signs of Achievement

Under the leadership of the 1980-1981 Chapter President, Angela Moore, our FHA members were involved in various activities. Angela was also an Area VI Officer this year, which meant she represented over 160 high schools in the Texas area. We were very proud of Angela and the accomplishment she achieved. In performing her duties, Angela has traveled to Houston, Tyler, San Antonio, and St. Louis, Missouri for the National FHA Convention.

Members of the Waskom Chapter listen to hear what other things are being done to help strength our chapter. The girls sold mums and calendars to help raise money. The officers for this year were: Angela Moore—President, Deyree Fields—1st Vice Pres., Kelly Boyd—2nd Vice Pres., Faye Gilliam—3rd Vice Pres., Karen Mangum—4th Vice Pres., Yolanda Turner—5th Vice Pres., Marion Davis—Secretary, Barbara Hill—Treasurer, Celeste Kennedy—Parliamentarian, Diane Hill—Sgt.-at-Arms, and Tammy Wolf—Historian

Jeanette Webb, Tammy Wolf, and Faye Gilliam were among a few of our chapter members who attended the Area Meeting on April 3-4 held at Tyler Junior College.

Chapter members organized before the meeting starts.

Angela, what are you looking for?

The annual Christmas Party was held December 17, 1980. The girls exchanged presents. A door prize was won by Karen Maxwell.

WASKOM HIGH SCHOOL BAND

The 1980-1981 Waskom High Band put in many hard working hours which in the end payed off with a great deal of success. This year the band made higher than any other band in the history of Waskom High, in the UIL concert sight-reading contest. The band made a Superior in sight-reading and excellent in concert playing.

On your right are the 5th, 6th, and 7th grade band. This was a new experience for many of these students and they have really worked hard throughout the year.

The band students that made the honor band this year are; Pam Crisp, Rhonda Collins, Susan Chavez, Willie Turner, Amy Kilpatrick, Mike Johnson, John McGinn, Danny Slade, Jack McDaniel. Alternant; Danny Wolf.

Also, the band would like to give thier deepest appreciation to Mr. Kilpatrick for all the hard work he's put out for us. He has made this band what it is today and we will always remember what he has done for us.

WASKOM ANNUAL STAFF:

An Enduring, Growing Organization

Left to Right, Front Row: Robin Rudd, Pam Slade, Lizzie Crisp, Tammy Wolf, Angela Moore.
Left to Right, Back Row: Deborah Ferrell, Elizabeth Kyle, Joe Paull, Michael Boone, Devree Fields, John McGinn.

Despite the obstacles which accompany progressive change and growth, the 1980-81 Waskom Annual Staff held tight to its pursuit of artistic meaning. With two consecutive UIL awards of merit in journalism as a background, for the 1979 and 1980 *Wildcat* publications, the organization dug in to make new inroads in journalistic realism. This was made possible only by dedication and experience.

Editor's Note

Alot of hard work and difficult situations have come up this year for the staff, but in the end the problems were solved and the work was finished.

So as editor I would like to express my most thanks and appreciation to Deborah Ferrell and Pam Slade. They have really done a great job and I have been able to depend on them when the bad times were there. Also, I would like to give my thanks to the rest of the staff, our sponsor Mr. Semlear, the student body, faculty, administration, and the many businesses for their cooperation and support.

To end this I hope each and everyone of you enjoy this annual, and always remember the memories that were shared.

SPECIAL EDUCATION

. . . more than just educating

CARING and SHARING . . .

Go hand in hand with education

These are a few examples of the many learning activities Mrs. Kelly's class experiences everyday.

AUXILIARY WORKERS . . .

A Vital Part of School Life

Left to Right: Eula L. Blackshear, Larry Hanes, Delia Ann Kelly, J.B. Reason.

CAFETERIA WORKERS

Without people to cook breakfast and lunch each school day, many of us would find life rather unpleasant—since hunger is no one's idea of a good time. Fixing meals for all of Waskom ISD's student body, faculty, and administration, who eat in the cafeterias, is no small task. We appreciate these dedicated workers.

Left to Right: Betty Ferrell, Andrea Wells, Billie Bishop, Jeanette Head, Leona Collins. High School, Elementary Cafeteria.

Left to Right: Dovie Johnson, Evelyn Porter, Betty Williams. Middle School Cafeteria.

BUS DRIVERS

These people are responsible for many of us being here every day. Without them, many would be doomed to a life of ignorance in the backwoods.

"JR." WILDCATS

Coached by: L to R: SonnyMan Crisp, Lee McFarland, Mr. Boddie, and Mr. Moody.

"JR." WILDCAT CHEERLEADERS

Bottom Row L to R: Rachel Springer, Dana Denby, Middle Row: Mascot, Melanie Kyle, Karen Nolan, Julie Kyle, and mascot April Johnson. Top Row: L to R Tina Taylor, and Jan Dillard.

LITTLE KIDS . . .

1981

We the Waskom Annual Staff would like to express our sincere thanks to those who helped to support the 1981 "Good Times" annual by advertising in our yearbook.

*In Memory
Of*

*Michael
Johnson*

Little did any of us know, that on a funfilled day,
God had decided to choose a young boy named MIKE,
That thru an accident of no one's fault,
God had a place in Heaven which for Mike he sought.

He had friends who loved him and a family, too,
Yet today we all seem so very blue.

With MIKE in Heaven, It's just a better place,
And we can all go and be with him again thru God's grace.

His mother, daddy, sister, family and friends will always
Cherish the love of a boy named MIKE.

④ One Bell System. It Works..

When you stop and think about your day-to-day life, you probably spend more time communicating - and being communicated with - than any other single activity.

The textbooks you read, your teachers' classroom presentations and, for that matter, all of education is really just communications. Add to that, newspapers and magazines, radio and television, your conversations with friends and the letters you write and we think you'll agree that communications is a big part of your life.

And . . . don't forget the telephone. If you're at all like most students, you probably spend at least an hour each day communicating by telephone with your friends.

Chances are, the telephones you use each day were made right here. The Shreveport Works makes over five million telephones a year for South Central Bell and the other Bell System telephone companies. Bell Laboratories designs them. We build them. The Bell telephone companies install and keep them working. We're all part of a team - the Bell System team - working together to bring you and your friends the best in telephones and telephone service.
